1. General Information

For Inspector there are two Dashboards. In first Dashboard Inspector can handle the New Registered Societies. And in second Dashboard Inspector can deal with Backlog Societies.

(A) For New Society Registered –

Dashboard will show all detail & status of societies.

The application for the society shall be submitted to respective ARCS through the portal <http://cooponline.rcsharyana.gov.in>.

ARCS in turn shall send the application to Inspector.

Inspector can check out the details of society which has been sent by ARCS in **Pending Societies** Tab of Dashboard.

After manual scrutiny by field enquiry, inspector can send the application to the ARCS.

(B) For Backlog Society –

Once the existing societies updates their society details and submits through the portal <http://cooponline.rcsharyana.gov.in>, the updated information is received by the ARCS officer.

ARCS shall send the application to Inspector.

Inspector verifies the details of society in **Pending Societies** Tab of Backlog Dashboard and can modify those details (if necessary)

Next the application is reverted back to ARCS from the last step of **Forward To ARCS Officer** of **Pending Societies** Tab–

Table content (3 – 3.1) is containing the step of New Society.

Table content (4 – 4.1) is containing the step of Backlog Society.
